Subject: Group Music Classes Thursday Mornings at Lighthouse

Dear Lighthouse Education Center Parents,

We hope that your children enjoyed learning music with us last school year as much as we enjoyed teaching them. Musicology is excited to be back on campus at Lighthouse Education Center for the 2022-2023 school year and to be able to provide your children with a fun, informative music program. At Musicology our teachers work with students of all ages and skill levels, and are highly adaptable and dedicated to teaching students at their level. We believe that fun and education go hand-in-hand, and that when students are having fun while learning, it inspires them to put in the hard work and learn more.

We ask that Lighthouse students please join us for the first two weeks of class, no strings attached, to decide if learning music is for them. If students do not have an interest in music and do not wish to participate, they do not have to attend. At Musicology, our philosophy is that whenever a student is interested in music that is when they should start playing. For the first few classes, we will be bringing a few extra guitars/ukuleles with us for students who are interested in trying out the class, but do not have a guitar/ukulele yet.

Registration forms can be downloaded online at: <https://www.musicologytemecula.com/lighthouse.html>
If your child would like to participate, please fill out the form and email it back to us, or have your student bring it with them to music class by September 15. Once we receive your registration form we will send you an invoice through Square Processing so you can pay online. If you prefer to pay by check please make it out to **Musicology**, with the students first and last name in the memo box, and mail it to: 29700 Rancho California Rd Suite G-9 Temecula, CA 92591. Please return your registration form by **September 15**, to ensure that the invoices can be sent out. **Tuition will be due by September 22 for Semester 1 and January 26 for Semester 2.**

We love teaching the students at Lighthouse, but we want to be sure to remind everyone that in order to be able to offer these fun group music classes we will need a minimum of 20 students total to attend (cumulatively throughout all classes offered – not each individual class). If we do not meet the 20 student minimum we will not be able to continue our music program at Lighthouse Education Center. We will be splitting up the tuition by semester:

Semester 1- \$159 per student

Semester 2- \$159 per student

Here are the classes Musicology will be offering on Thursdays during 2022:

Please note that the class times could change based on Lighthouse's schedule. Students will need an instrument to participate. If you do not already have an instrument here is what we recommend: For 1st and 2nd graders we recommend the Kala MK-S Makala Classic Soprano Ukulele and for 3rd, 4th, 5th, 6th, 7th, and 8th Ibanez PF2MH 3/4 Scale Acoustic Guitar. If you have any questions please feel free to contact us by phone (951)694-6040, email MusicologyTemecula@gmail.com, or stop by Musicology located 29700 Rancho California Road #G9, in Temecula. We are looking forward to working with the students at Lighthouse Education Center and are excited to see each individual student progress in music this school year.
